

Advocacy and Communication of Spanish Greenways

Arantxa Hernández Colorado Head of Greenways Area, Spanish Railways Foundation.

The Vías Verdes are part of the new touristm markets

Tourism is the first economical activity in Spain (15% of GDP vs. 11% in 2014), but still nearly based on a "Sun & Beach" model. 82,6 Millions of tourists 2018

Cycling tourism in Europe. International markets.

€39.4 billion

Economic importance of cycling tourism €44 billion

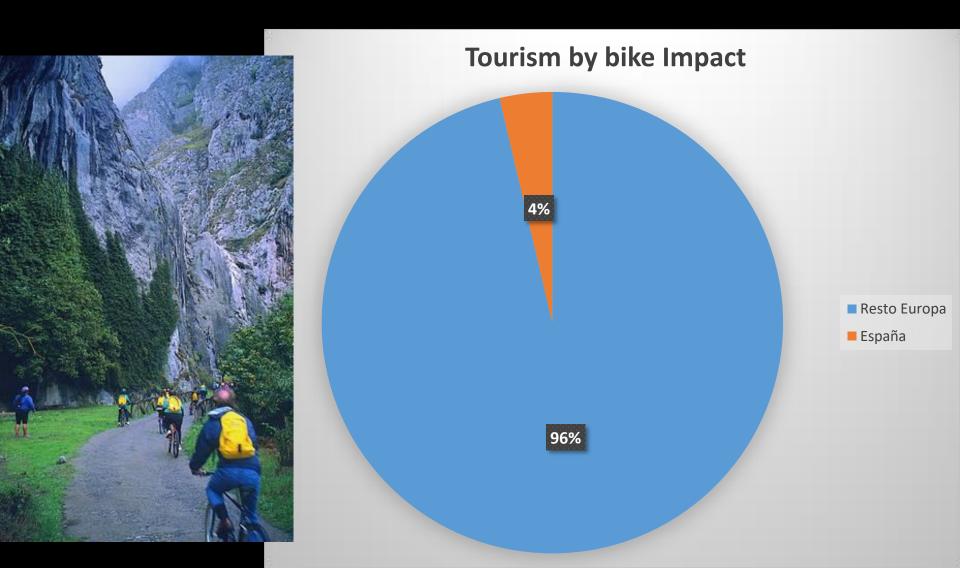

Not only more, but better distributed throughtout the territory and with impact on local economies

Co-funded by the COSME programme of the European Union www.ecf.co

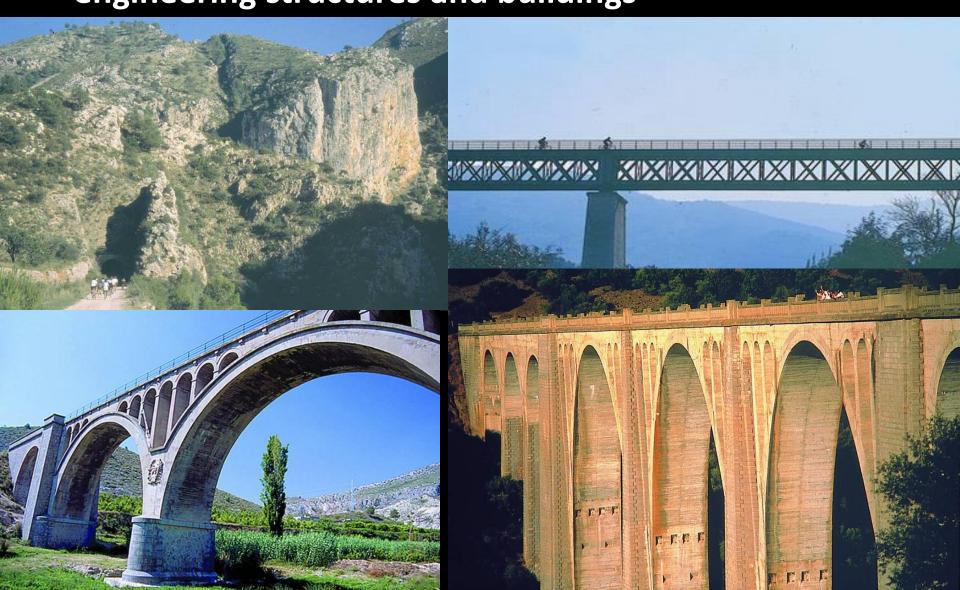

Cycling tourism in Europe. International markets. Only 4% of that benefit occurs in Spain...

We have a lot more to grow.

Our Claims:

Railway Heritage: Impressive infraestructure, engineering structures and buildings

Our Claims:

Discover rural and active tourism

Our Claims: Attractive landscapes, easy, accessible and safe

Our Claims:

The magic of tunnels... and the accessibility. Greenways 4 ALL

The guaranty for Universal accessibility,

Our Claims: Stations restaured ... also Railway Heritage !!!

Facilities and services: restoration of disused railways stations

They are being reused as tourist housing facilities

Facilities

Facilities

They provide many services: bike rentals, information offices, local museums...

Facilities

Some others are small charming hotels, hostels, Caravan places, campings sites...

Facilities Bike points, Natural or Railway Museums ... even swiming pools

The preservation of the **railway heritage** is the sign that defines the Vías Verdes as a very specific and **genuine touristic**

resource

The Spanish Railways Foundation is responsible for the **promotion and communication** of the Spanish Greenways Programme **at a national level.**

The Spanish Greenways Programme has a common logo and a unique name used for converted disused railway lines. **A great marketing**

aid!
